

Dear Participant,

It is my pleasure to introduce you to our **Two Week Challenge**. Through this project, you will be helping provide safe drinking water, improved sanitation, and hygiene training to families in need.

We are presenting you with this challenge:

- Make tap water your only beverage for 2 weeks.
- Encourage your family as they deny themselves for the sake of others.
- Keep a running tally of the money you didn't spend on other beverages as those opportunities to sacrifice occur.
- Daily place the money which would have gone toward other beverages (purchased at grocery stores, restaurants, gas stations, etc) in your designated ActiveWater cup or favorite mug!

At the end of two weeks, collect the funds from the cup and mail a check to Active Water for the sum amount. If you are participating through a group challenge with your church, you can make your check payable to your church and simply designate "ActiveWater" in the memo section.

The address to mail your donation is:
